Wisdom

Endurance

News and Information

We hope you all had a lovely half term week. This half term Reception are starting their forest school sessions which we hope they enjoy and we have Seed and Sapling Class assemblies. Do please check the dates for below to see what is coming up.

We are looking forward to Book week and World Book Day in school next week. On World Book day, children are invited to dress up as their favourite book character and to bring the book with them for use in activities throughout the day.

On Friday 8th March we are book-tasting cafes. This is an opportunity for parents/carers to come in with their children and try some new books they may not have tried before at the same time as eating cake! We hope this will encourage children to try some books outside of their normal preferences. Tables can be booked using [this link](#).

We also have our craft open afternoon and Maggie's Museum coming up for parents to come in and work with children and to see what they have been doing in their lessons.

We look forward to seeing you at some of these events.

Coming up next month:

March

- 1st: 2:30pm Seed Class assembly
- 7th: World Book Day
