Endurance

### News and Information

This month has been busy in school with lots going on.

The choir performed in a joint concert with the Hedingam Singers to raise funds for the school and for the Great Yeldham Men's Shed. The children enjoyed singing with an adult choir and were also privileged to be able to watch part of their rehearsal. Through the concert, we raised £200 for the school.

We also held our harvest festival in school which was well attended. The children did an excellent job in their presentations and we managed to make a donation to those less fortunate.

We have also had a small group of year 5 and 6 pupils making weekly visits to Little Chestnuts pre-school to help. This week, they took their own craft activity they had planned with them. The children are enjoying helping and this is an excellent way of living out our vision and giving back to the community.

FOSMs also hosted an excellent quiz night in the village hall. They have also been supporting the school with refreshments at Church Services and helping with the community coffee afternoons and we thank them for all their hard work.

Unfortunately, we have had a complaint from a local resident today as cars have been turning on her grass and have churned it up. Please can we remind you to be considerate of where you are turning.

Have a lovely half term and we look forward to seeing everyone back in school on Monday 4th November.

### Coming up next month:

- November
- 4th: Return to school
  - 1th: Anti-bullying week
  - 15th: Children in Need
  - 21st: Flu vaccines
