#### May

5th: Bank holiday

12th: Y6 SATs week

20th: Zoo trip

21st: Class photos

26th: Half term

### News and Information

We have had another excellent half term in school, which ended with our beautiful Easter service in the church. Thank you to everyone who came along and joined with us for this. A special thank you to Rev Tia for helping lead this service.

We thoroughly enjoyed wearing our PJs to school for world book day and took part in a wide range of activities linked to our theme of 'Dare to dream' during the course of the week. Lots of our work was shared at the end of book week celebration and will also be on display during Maggie's Museum on 28th April. We also had lots of amazing entries to our competitions, which will also be on display.

As you know, we also had lots of involvement with the Essex PINs project which has been invaluable to the school. We would like to thank all the parents that engaged with the project. The project was a pilot, but has now been agreed to run into a second year. We await more information with excited anticipation!

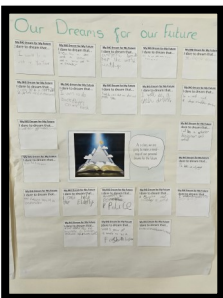

Thank you to everyone who responded to the parents survey which was being run by governors. This was available on iPads at parents evening in February. However, if for any reason you did not get the opportunity to feedback, you can still have your say! Please [click here](#) to complete the survey if you have not already done so. The survey will close on Friday 2nd May.

Seed class had a visit from Delana who works for the charity Empower, to explore crosses around the world. Their crosses will be on display as part of Maggie's museum. They had a fantastic day and our thanks go to Delana for organising this.

Thank you also to everyone who joined us for our Easter craft afternoon. The children made some beautiful things. We hope you enjoyed your afternoon.

We look forward to another exciting half term after the Easter break—albeit a slightly shorter one!

Have a restful Easter.
