Endurance

News and Information

Firstly, a warm welcome back after Easter, I hope you all had an enjoyable two weeks.

This month, Seed Class have enjoyed a visit to Boydell's Farm, we have seen our Summer Term club offer commence and FOSMs held their film night, which was enjoyed by all that attended. As always, our thanks to FOSMs for organising this.

We hope the weather will start to show signs of warming up soon, so can we remind you please to ensure sun cream is applied to children before they come into school and that children bring in a water bottle and that sunhats are provided as appropriate (along with rain jackets as appropriate given that we live in England!). Please can we also remind you to name all items with your children's name so that we are able to reunite lost items with their owner.

I am also delighted to tell you that following a routine visit by Environmental health, Mrs Cranfield has been awarded a rating of 5 which is the highest possible rating. It was never in any doubt but congratulations to Mrs Cranfield—especially as they visited the day the oven broke!

Coming up next month:

May

- 6th: Bank holiday
- 13th: Y6 SATS week
- 17th: Call of the Wild in school
- 17th: Y6 park visit
- 22nd: 2:30 SLT tea and biscuits
- 24th: Reception last forest school session
- 27th: Half term
