Endurance

## News and Information

We kicked off March with an awesome book week. The children enjoyed all we had to offer, and it was lovely to see so many different people involved through the week at the various events which included living libraries and book-tasting cafes. I'm not sure how we will top it next year, but we shall do our best!

We have also hosted our first community café afternoon. The children hosting enjoyed spending some time playing games with our guests.

We must thank FOSMs who have been amazing as always in providing us with refreshments for the various events we have been running and for their moral support. We also thank them for all the other events they have organised such as the Easter raffles and the Easter Egg hunt. We must also mention the house captains and deputies, who were trained up as waiters and delivered the book orders to our guests at the book-tasting cafes.

Blossom Class enjoyed a trip out to join other Braintree district schools to perform in the 'Braintree Sings' concert with a live band.

It was a lovely end to the term with our Easter service in Church, which was well supported.

All that remains, is for me to wish you a very happy Easter. We look forward to seeing everyone back in school on Tuesday 16th April.

## Coming up next month:

### Apr

- 1st: Bank holiday
- 2nd: Easter Break
- 15th: Non-pupil day
- 16th: Children return
